

DNA

This is an exciting revelation I received from the Lord quite sometime ago. However, in the season of the coronavirus, it reverberated within my spirit, and I will love to share this with you.

The moment we gave our hearts to Jesus, a change took place.

2 Corinthians 5:17 KJV

Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.

2 Corinthians 5:17 (Classic Amplified Version)

17 Therefore if any person is [ingrafted] in Christ (the Messiah) he is a new creation (a new creature altogether); the old [previous moral and spiritual condition] has passed away. Behold, the fresh and new has come!

2 Corinthians 5:17 (Living Bible)

When someone becomes a Christian, he becomes a brand new person inside. He is not the same anymore. A new life has begun!

The change that took place is one within.
This is where the title comes from.
Our DNA changed.

This is what DNA means.

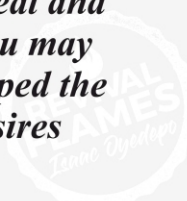

D – Divine

N – Nature

A – Attributes

2 Peter 1:4

4 Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature, having escaped the corruption in the world caused by evil desires

We now are carriers of Everlasting or Eternal life.

This is the very life of God.

This is the very life that was in Jesus when He walked on the earth.

John 3:16

16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting [eternal] life.

Romans 6:23

23 For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.

As members of the family of God, we now share in His nature.

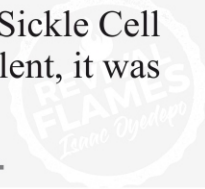

1 John 3:1-2

Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God: therefore the world knoweth us not, because it knew him not. 2 Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is.

A revelation of this will keep you shielded from the coronavirus and other forms of sicknesses and diseases.

Even in the natural, there are some sicknesses and diseases that are more prevalent among certain races.

I caught this DNA mystery while I pastored in South Africa for about five (5) years. I discovered that while Sickle Cell Disease in some other parts of Africa was prevalent, it was not the same in South Africa.

What some parts of the world considered a threat, the nation of South Africa did not consider as a threat.

A recent study shows that South Africa has a low incidence of sickle cell disease (SCD). However, its demographics are changing because of immigration from sub-Saharan African countries where SCD is prevalent.

This suggests that except for the reason above, South Africans are exempted from the sickle cell disease.

This means as long as we are well rooted in Christ, there are things we ought to be exempted from.

Since I caught this light from God's Word, my family and I have lived fearlessly in the midst of every plague, such as Ebola and the coronavirus.

That is what the Divine Nature that runs in the family of God looks like.

2 Peter 1:4

4 Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature, having escaped the corruption in the world caused by evil desires

Coronavirus and other diseases that affect the world ought not to affect members of the family of God.

TO ENGAGE THE POWER OF YOUR NEW DNA:

1. **Remain Sanctified.** You cannot claim you have the DNA of Jesus and keep defiling your body.
1 Corinthians 6:19-20.
2. **Remain in the Word.** The Word of God is the carrier of Divine Nature. **2 Peter 1:2-3/ Proverbs 4:20-22/ Isaiah 5:13.** Many are afflicted by sickness and disease not for the provisions they lack but for the inspiration they lack.

3. **Remain in Prayer.** Prayer is a necessity to keep strengthening your immunity. This is one of the reasons Jesus was reported to always be in prayers. **Mark 1:35.**
