

A hand is shown on the right side of the image, drawing a heart shape on a red, textured surface. The heart is drawn with a thick, dark line. The background is a deep red color with a fine, pebbled texture, similar to a car's body panel. The overall mood is intimate and artistic.

My heart is filled with joy to present to you one of the greatest insights I have caught from God's Word in recent times.

Within this COVID-19 global pandemic, I have seen the light of scriptures from a whole new perspective.

It is important to understand that the Only answer to Darkness is Light.

John 1:1-5

In the beginning was the Word, and the Word was with God, and the Word was God. 2 The same was in the beginning with God. 3 All things were made by him; and without him was not any thing made that was made. 4 In him was life; and the life was the light of men 5 And the light shineth in darkness; and the darkness comprehended it not.

Sicknesses and diseases constitute the works of darkness.

But from the above scripture, one amazing truth jumps out.

When Light comes, Life comes.

Civilization is not the answer to darkness, Light is the answer to darkness.

There is nothing we are in greater need of now than Life.

However, this life is hidden in light.

Therefore, life lived without light is life lived at a risk.

When the light of the Word breaks forth, one's health springs up speedily.

Isaiah 58:8

Then shall thy light break forth as the morning, and thine health shall spring forth speedily: and thy righteousness shall go before thee; the glory of the Lord shall be thy reward.

Proverbs 4:20-22

My son, attend to my words; incline thine ear unto my sayings. 21 Let them not depart from thine eyes; keep them in the midst of thine heart. 22 For they are life unto those that find them, and health to all their flesh.

This is because the dominion of light over darkness is instant, unquestionable, and undeniable – ***Job 33:21-25***

By redemption, we are now heirs of God and joint heirs with Christ.

Below is the scripture where the caption of this book comes from.

Romans 8:16-17

The Spirit itself beareth witness with our spirit, that we are the children of God: 17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together.

Romans 8:15-17 (Message)

This resurrection life you received from God is not a timid, grave-tending life. It's adventurously expectant, greeting God with a childlike "What's next, Papa?" God's Spirit touches our spirits and confirms who we really are. We know who he is, and we know who we are: Father and children. And we know we are going to get what's coming to us—an unbelievable inheritance! We go through exactly what Christ goes through. If we go through the hard times with him, then we're certainly going to go through the good times with him!

Romans 8:17-18 (Classic Amplified Version)

17 And if we are [His] children, then we are [His] heirs also: heirs of God and fellow heirs with Christ [sharing His inheritance with Him]; only we must share His suffering if we are to share His glory. 18 [But what of that?] For I consider that the sufferings of this present time (this present life) are not worth being compared with the glory that is about to be revealed to us and in us and [g] for us and [h] conferred on us!

John 17:18

As thou hast sent me into the world, even so have I also sent them into the world.

You and I have a Papa.

He has made us heirs and joint-heirs with Jesus.

I want to unveil this mystery of being joint-heirs with Jesus. This is the mystery that makes us relate with God in exciting and adventurous ways that Jesus related with Him.

If you will desire to relate with God at a whole new level, you must understand what it means to be a Joint-heir with Jesus.

If you desire to relate with your Heavenly Father saying, ***'What's next Papa?'***, then you need to catch this insight from God's Word.

THE JOINT HEIR MYSTERY

1. **We share in the same relationship with the Father.** Look at the scripture, “...*Heirs, heirs of God and joint-heirs with Christ.*” That is deep. It talks about relationship with God the Father. Look at how the Message translation puts it: **Romans 8:15-17**

This resurrection life you received from God is not a timid, grave-tending life. It's adventurously expectant, greeting God with a childlike “*What's next, Papa?*” God's Spirit touches our spirits and confirms who we really are. We know who He is, and we know who we are: Father and children. And we know we are going to get what's coming to us—an unbelievable inheritance! We go through exactly what Christ goes through. If we go through the hard times with him, then we're certainly going to go through the good times with him!

2. **We have no inheritance apart from Him.** This is quite profound. The Word says, ‘*We are heirs...*’ So, we have a package of inheritance laid up for us - as children of God. “*We are children of God and Heirs of God.*” This means, we are either empty without Him or full with Him. It is a Father to child relationship. And you know it is the duty and responsibility of fathers to lay up an inheritance for their children.

3. **We have the same rights to the same inheritance.** Our rights to divine heritage stand or fall with Christ's right to the same inheritance. We are co-heirs, so if he is truly an heir, so are we; and if he is not, neither are we. We have neither of us any heirship apart from the other. We are joint heirs! That is Christ jointly with us. If we get nothing, Christ gets nothing. With Him, we stand or fall. We are honored the same way Christ is honored.
4. **We have the same access to the same inheritance.** Jesus is the first born (first born among many brethren), we are other 'borns.'

Romans 8:29

For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren.

But we all have the same access. If we are portionless and penniless, the first born among many brethren must also be portionless and penniless. I have four children. They are not quadruplets. Each one came at a different time, date, etc. They were not born together but they have the same father, who is not partial, so they have the access.

5. **We share in every part of the inheritance together** - the suffering and the glorification. But when you study the Word, you discover that we were told that we will suffer tribulation (**John 16:33/ 1 Thess. 3:4/ Rev. 2:10**). So, we must not misinterpret the suffering stated here. That is, the way Jesus was persecuted is how we will be persecuted. When you look at the life of Jesus, He suffered persecution but never suffered sickness and disease.

As a joint-heir with Jesus, you may be asking, *‘What’s next Papa?’*

Your health and our wealth – **3 John 2**

In this midst of the days that we live in, it excites me to know that I have a Daddy, a Papa, and a Father.

His plan is to take care of me in the midst of crisis.

He watches over me so keenly that He guaranteed me that even if a thousand and ten thousand fall, death will not come close to me.

I can draw on the loving kindness that the Father has towards me in order to get well or to remain healthy in the midst of this global pandemic.

In the ministry of Jesus, often times, He healed the sick as a result of His compassion for them.

So, there is amazing power for healing where compassion is involved.

As a joint heir with Jesus, I have the same Father and the same Papa that Jesus has.

Therefore, rejoice because your Papa has great things planned for you. What He has planned, eye hath not seen nor ear heard.

Now is the time to build a deep relationship with your heavenly Father by spending time with Him in Prayers and in the Word.

This is the time to build intimacy with your Papa.

God has been longing for His sons and daughters to return back to His arms.

The blessings of a true relationship with God will always outweigh the rewards of rigorous demands from God.

What's Next Papa? Your health and your wealth.

As you spend more time with Him daily, He will open up His great plans in detail for your life.

The End
